Real Art

A safe place where young people are welcome to be creative through art & music

For the Youth

Our program is based on mentoring young people to find their voice & gain independent life skills by finding their identity

YELS

The Youth Engagement and Linkage Service at IFYS is a collaborative initiative that provides outreach to young people & helps them make connections with support services in their community

POSITIVE VIBES

The Youth Workers of Real Art aim to facilitate a program that is based on 'No Bad Vibes' & mentors all young people to culture a positive attitude towards life
