Free breast cancer screening at

Maleny Hospital

4 – 24 May 2018

Appointments available from 7:00am

Women aged 50 to 74 are encouraged to have a breast screen every two years. Women aged 40-49 and over 74 are also eligible.

It only takes 20 minutes of your time and it's free!

Regular breast cancer screening every two years is the best way to find breast cancer early before it can be felt or noticed.

BreastScreen Queensland also offers free appointments throughout the year at the Caloundra and Nambour Hospital.

Referrals are not required.
